*A pastel mix, featuring a complete range of 3" clear blooms.*

### Viola Whiskers Red & Gold

8" tall by 6"  
wide Color: Red & Gold  
April May June September October  
Sun/Shade

*This one is definitely the "cat's meow!" Each one of these mid-size blooms features a unique "cat face" pattern - in mass plantings, they really grab attention! Until F1 hybrid Whiskers arrived, this flower design could only be found on field-grown open-pollinated pansy mixes. The average flower size is about 2.5 to 3 in. (6 to 7 cm), with new Orange and Red-Gold slightly smaller at 2 to 2.5 in. (5 to 6 cm). Excellent garden performance.*

### Viola XXL Golden Yellow
