

Inca II Yellow

Good disease tolerance. One of the largest Marigold varieties.

Taishan Orange

Dwarf African Marigold for landscape and containers. Big, tightly petaled blooms on sturdy stems.

Taishan Yellow

Dwarf African Marigold for landscape and containers. Big, tightly petaled blooms on sturdy stems.

Marigold - French *Tagetes patula*

Alumia Vanilla Cream

This striking British bred variety has unique, lemon yellow blooms; a colour never seen before in French Marigolds. The short, branching plants have a neat uniform habit that is ideal for planting en masse. Marigold 'Alumia Vanilla Cream' gives a superb garden performance, flowering over a long period and attracting pollinating insects to its blooms.

Boy Yellow

Semi-dwarf French type. Floriferous, yellow, 2 inch blooms. Good shelf life, very uniform in habit and flowering time.

Disco Bright Yellow

Medium-large single flowers pop with color early and then go on to become a solid mass of color that lasts all season long.

Safari Bolero

Early, compact dwarf Marigold with double anemone shaped flowers. Marigolds make a great garden border as they attract beneficial insects and can repel pests, helping your food crops to thrive!

Safari Mix

Early, compact dwarf with double anemone shaped flowers.

Safari Red

A double flowered French Marigold, Safari Red does well in gardens with blooms throughout the summer. Pick off the spent buds after bloom to encourage continuous color.

Safari Tangerine

Red petals with a golden-yellow border. Good weather tolerance and garden performer. Double anemone flower shape.

Safari Yellow

Early, compact dwarf with double anemone shaped flowers.

Marigold - Signet *Tagetes tenuifolia*

Lemon Gem

This little flower packs a punch with its growing habit and its fragrance! Great for the edge of the garden and doubles as both filler and foliage! Tiny single flowers literally cover the compact mounds of fern-like foliage.

Tangerine Gem

Bite sized to use as an edible garnish or in the flower bouquet. Great for borders as well. Hundreds of petite single flowers cover neat, low mounds of lacy foliage with a citrusy scent.

Mecardonia *Mecardonia grandiflora*

Garden Freckles

Masses of tiny yellow blossoms carpet the delicate, creeping foliage of Garden Freckles Mecardonia. This plant can be used as a ground cover in annual garden beds or as an addition to mixed containers or hanging baskets.

Mexican Sunflower *Tithonia rotundifolia*

Torch

One of the most heat-resistant flowers. Native to Mexico and Central America. Named for Tithonia, the lover of Auruora, goddess of dawn.

Mixed Annuals *Mixed x*

PW Combo Amethyst Dreams

Mix of Superbells White, Superbena Sparkling Amethyst, Superbells Grape Punch

PW Combo Backyard BBQ

Mix of Superbells Dreamsicle, Chrysocephalum Flambe Yellow, Supertunia Red

PW Combo Beachside Drive

Mix of Superbells Tropical Sunrise, Supertunia Honey, Whirlwind Pink Scaevola

PW Combo Blind Love

Combo of Supertunia Royal Magenta, Supertunia Lovie Dovie, and Superbena Whiteout.

PW Combo Boost Of Energy

Mix of Supertunia Trailing Rose Veined, Alyssum Blushing Princess, and Supertunia Royal Magenta

PW Combo Glory Days

Supertunia Royal Velvet, Euphorbia Diamond Frost, Superbena Large Lilac Blue

PW Combo Grand Old Flag

Supertunia Royal Velvet, Whirlwind White Scaevola, Superbena Red

PW Combo Lilac Festival

Supertunia Royal Velvet, Supertunia Trailing Blue Veined, Superbena Violet Ice

PW Combo Misty Seas

PW Combo Rockin Rush

Supertunia Raspberry Rush, Goldilocks Rocks Bidens, Superbena Whiteout

PW Combo Rum Punch

Mix of Bidens Goldilocks Rocks, Superbells Tropical Sunrise, and Supertunia Mini Vista Hot Pink

PW Combo Sunshine State

PW Combo Sweet Mango

Bidens Goldilocks Rocks, Superbells Coral Sun, Supertunia Royal Velvet

Moonflower *Ipomea alba*

Moonflower

Trailing and climbing vine related to the morning glory. Flowers are all white and open in the evening with a wonderful scent. Dark green heart-shaped leaves.

Morning Glory *Ipomea nil*

Flying Saucers

Novelty introduced in the 1960's. Bicolor-white with streaks of sky blue. Swirled blue pattern on powdery white background. Full Sun.

Grandpa Ott

Heirloom morning glory with velvety royal purple & wine red star centered flowers.

Heavenly Blue

Vining, climbing morning glory will bloom profusely once established. Very impressive old fashioned flower.

Pearly Gates

Lustrous white with creamy throat. Vigorous climber.

President Tyler

This heirloom blooms before all other morning glories. Vigorous vines are covered with 2-3" flowers bearing a white throat, deep maroon star and velvety purple corolla.

Scarlet O'Hara

Red form of Morning Glory. Vigorous climber.

Nasturtium *Trapoleum majus*

Alaska

Unusual creamy-white and green foliage plus all the popular colors. Bicolored foliage is great for rock gardens or hangers. Edible flowers.

Empress of India

Cascading clumps of single, dark-scarlet flowers for hangers and window boxes. Edible flowers.

Jewel Mix

Most delicious edible flower. Bright single and double blomos in red, pink, orange and yellow, held above the light green foliage.

Peach Melba

One of the prettiest nasturtiums. Petals the shade of a white peach, and the throat of each flower has a delicate, paw-shaped etching in a contrasting raspberry tint. 'Peach Melba' is top setting, which means it sets its blossoms above the foliage. From Shepherds Seeds.

Trailing

Cascading clumps of yellow and orange edible flowers. This trailing variety makes an interesting and delicious addition to hanging baskets and window boxes.

Whirlybird Mix

A series of top blooming separate colors and mixture. Flowers are also without the usual black spur, and consequently are able to sit open-faced, right on the top of the stems. Excellent for hanging baskets, rock gardens or flower beds.

Nemesia *Nemesia fruticans*

Aromance Mulberry

The light pleasing fragrance that drifts from its deep plum flowers adds to the allure of this Nemesia bred to bloom throughout the season. Standing 10-18" tall, the mini-Snapdragon-like blossoms like sun to part shade conditions.

Aromance Pink

The light pleasing fragrance that drifts from its soft mauve flowers adds to the allure of this Nemesia bred to bloom throughout the season. Standing 10-18" tall, the mini-Snapdragon-like blossoms like sun to part shade conditions.

Bluebird

Fragrant blooms in blue. A favorite for spring and fall plantings.

Poetry Mix

Three new colours are as bright as their vegetative counterparts! You also get improved series uniformity, plus more reliable delivery and seed quality. "Grower-friendly" varieties for premium bedding sales. Branches very well without pinching to produce bushy plants which fill out fast and full. Ideal for Spring and Autumn

Sunsatia Blood Orange

This new deep orange color is a fresh twist on Sunsatia Nemesia. Sunsatia holds its own in both cool and hot temperatures, and is outstanding in hanging baskets, combos, and window boxes.

Sunsatia Coconut

A breeding breakthrough. Award winner. Does well in cool and hot temperatures. Great in mixed containers, beds, pots, hangers, and window boxes.

Sunsatia Cranberry

We saw this in a trial in the summer of 2003 and it looked great all through the summer and fall. The most compact habit to date, ever-blooming, and unfazed by sun or heat.

Sunsatia Lemon

We saw this in a trial in the summer of 2003 and it looked great all through the summer and fall. The most compact habit to date, ever-blooming, and unfazed by sun or heat. Can take frost to 20F.

New Guinea Impatiens *Impatiens x New Guinea*

Rollercoaster Hot Pink

Roller Coaster Hot Pink is a New Guinea Impatiens that offers double blooms in a vibrant shade of pink that really stand out against the dark foliage. Adds color to your shaded areas.

Rollercoaster Red Racer

Roller Coaster Red Racer is a New Guinea Impatiens that offers double blooms in a vibrant shade of red that really stand out against the dark foliage. Adds color to your shaded areas.

Rollercoaster Tangy Taffy

Roller Coaster Tangy Taffy is a New Guinea Impatiens that offers double blooms in a vibrant shade of coral that really stand out against the dark foliage. Adds color to your shaded areas.

Solarscape Mix Voodoo

Solarscape Voodoo Mix produce vibrant blooms in mixed colors. Best in garden beds and borders, or in containers and hanging baskets.

Solarscape Neon Purple

Unbeatable color in full sun or shade. Durable plants great for the landscape.

Solarscape Orange Burst

Solarscape Orange Burst Impatiens produce vibrant blooms that are deep coral-orange. Best in garden beds and borders, or in containers and hanging baskets.

Solarscape Pink Jewel

Vibrant pink satiny blooms cover the mounded plants non-stop all season, adding a bright and pleasing tropical appeal to the garden.

Solarscape Salmon Glow

Unbeatable color in full sun or shade. Durable plants great for the landscape.

Solarscape White Shimmer

Unbeatable color in full sun or shade. Durable plants great for the landscape.

Sunpatiens Compact Blush Pink

Sitting atop dark green foliage, this Compact SunPatiens impatiens plant is truly an extraordinarily appealing sight to behold. The 'SunPatiensr Compact Blush Pink' Impatiens Plant produces flowers with remarkable heart-shaped petals that blush from barely pink to highly embarrassed with a bright pink line splitting the petal down the center.

Sunpatiens Compact Deep Rose

Vigorous, upright plants with large flowers; great flowering color for sun or shade.

Sunpatiens Compact Hot Pink

Sunpatiens Compact Hot Pink grows well in full sun to full shade. Bright pink flowers on sturdy, well branched plants.

Sunpatiens Compact Orange

Tolerates all weather, Spring through hard frost. Unique varieties love sun as well as shade. Compact series is bred for small pot production and is resistant to disease. Exceptional outdoor performance.

Sunpatiens Compact Purple

Vigorous, upright plants with large flowers; great flowering color for sun or shade.

Sunpatiens Compact Red

Sunpatiens Compact Red grows well in full sun to full shade. Bright red flowers on sturdy, well branched plants.

Sunpatiens Compact Tropical Rose

Variiegated leaves in shades of deep green and yellow provide an illuminated backdrop for a profusion of showy pink flowers that smother these compact, neatly mounding plants from spring to fall. Use this showstopper to light up a shady area of your garden, or set it in a bright spot where sunlight will enhance the color show.

Sunpatiens Compact White

Flower power in your garden all season long! Plant in full sun to full shade - this one thrives everywhere! Tolerates all weather, from Spring through hard frost. Compact series is bred for small pot production and is resistant to disease. Exceptional outdoor performance.

Ornamental Oregano *Origanum x hybrida*

Kirigami

The perfect patio plant, this eye-catching, non-culinary oregano features large purple-green bracts, rose flowers and clear, light green foliage, with a delicious fragrance to attract pollinators.

Osteospermum *Osteospermum x.*

Akila Lavender Shades

Akila Lavender Shades African Daisy is covered in stunning lavender daisy flowers at the ends of the stems from early summer to mid fall. The flowers are excellent for cutting. It's spiny narrow leaves remain green in color throughout the season.

Akila Mix

Akila Osteospermum varieties offer such substantial branching early on in their growth cycle, the result is the compact seed series of Osteo now on the market. Gardeners love their drought tolerance once established, and the multitude of crisp, clean flowers that each plant produces. Akila varieties are ideal for both containers and landscape plantings.

Akila Mix Grand Canyon

Full, well-branched plants are drought-tolerant once established. First multicolor segregating mix includes popular colors like yellow, magicians and rose-reds, as well as purple, lavender, creams and whites.

Akila Purple

Akila Osteospermum varieties offer such substantial branching early on in their growth cycle, the result is the compact seed series of Osteo now on the market. Gardeners love their drought tolerance once established, and the multitude of crisp, clean flowers that each plant produces. Akila varieties are ideal for both containers and landscape plantings.

Akila Sunset Shade

2-3" Daisy type flowers in sunset shades including rose, orange, salmon and apricot. Blooms change color as they age. 12-14" mounding habit.

Akila White

Gardeners love Akila Daisy White Osteospermum. Drought tolerant once established, blooms all summer long! Akila varieties are ideal for both containers and landscape plantings. Requires some deadheading.

Akila White w/Purple Eye

White Osteospermum with purple eye. In the garden, the full, well-branched plants show off beautiful flowers and are drought tolerant once established. Great choice for mass plantings and containers.

Bright Lights Double Moonglow

Gorgeous double Osteospermum with white petals and a fluffy yellow center.

Bright Lights Pink

This compact Osteospermum has a mounded habit that showcases its large bright pink blooms. This Osteo is heat tolerant and blooms throughout the season. Deadheading will encourage more blooms.

Bright Lights Purple

Heat tolerant plants with large purple daisy flowers. Mounded habits really hold the flowers up for great flower presence.

Bright Lights Yellow

A pure, clear yellow Osteospermum. Great in garden beds or containers.

Zion Morning Sun

Inspired by the colors of Zion National Park in Utah, this collection features distinctive, novel colors. Large flowers on plants with excellent branching and full, mounded habits.

Painted Tongue *Salpiglossis sinuata*

Bolero Mix

Colorful funnel shaped blooms on tall stems. Makes an excellent cut flower.

Panola *Viola X Wittrockiana*

Panola Mix

Interesting cross of species has resulted in an outstanding pansy-viola like plant. Compact and free flowering the "Panola" definitely has taken the best of two species. Heat tolerant plants with consistently rounded flowers. Mounded plant habit.

Pansy *Viola X Wittrockiana*

Cats Plus Marina

Light blue pansy with distinctive whiskers pattern on a white face. Large blooms.

Cool Wave Mix

Pansy Cool Wave is a spreading variety with masses of big, bright 1½- to 2-inch blooms in 5 brilliant colors, including solid yellow, solid white, two-tone lemon, white with frosty blue edges, and bicolored white-and-violet. The effect is electrifying, especially when the blooms arise by the hundred on well-branched, vigorous, unstoppable plants!

Delta Beaconsfield

Delta series are full flowering and make great bedding plants. Delta Beaconsfield is a bicolor lavender and deep purple.

Delta Blotch Mix

Popular Delta varieties gives you a jump start on the spring pansy season. With flowers held upright on short sturdy stems, this series is also extremely weather tolerant. Delta Premium varieties have been improved for uniformity of plant habit and flowering window across the range of colors. They are more manageable for the grower and exhibit less stretching, yet maintain the early and continuous flowering capacity under low light conditions for which the Delta series is known. Height: 8", 8 to 10" spread.

Delta Cool Water Mix

Mix of large flowered blue and white pansies.

Delta Mix Tricolor

Delta series are full flowering and make great bedding plants.

Delta Premium Mix Cotton Candy

Mixed pink, blue, and white pastel Pansies. Large flowering mix.

Delta Premium True Blue

Popular Delta varieties will give you a jump start on the spring pansy season. With flowers held upright on short sturdy stems, this series is also extremely weather tolerant. Delta Premium varieties have been improved for uniformity of plant habit and flowering window across the range of colors.

Delta True Blue

The Pansy Delta True Blue, 'Viola x wittrockiana', produces true blue flowers that appear brightly colorful against a green backdrop in bright sunlight. True Blues unique color that will draw attention in any garden!

Delta White Pure

Pure White Pansy. Delta series are full flowering and make great bedding plants.

Delta Yellow Pure

Delta series are full flowering and make great bedding plants.

Frizzle Sizzle Mix

Place this Pansy Frizzle Sizzle Mix where they will be admired and commented on! Cool weather gardening can be challenging, but Pansies are known for their hardiness as well as their beautiful colors. This Pansy mix has a rainbow of colorful, large blooms that have frilly edges.

Matrix Mix

Matrix Mix pansies are a great choice for early spring or late fall color. Plant Matrix Mix in full sun or part shade for best flowering results. In some climates, pansies planted in the fall will over winter and rebloom in the spring! The compact habit makes pansies an excellent variety for rock gardens!

Matrix Mix Citrus

Mix of large flowered yellows, oranges, and whites. Matrix series boasts large, thick-petaled, flowers are held beautifully over the foliage on strong, sturdy stems. Produces more flowers per plant than other pansies to create high-impact landscapes and containers.

Matrix Mix Coastal

Mixed Pinks, Purples, whites, with dark faces. Large flowering mix.

Matrix Mix Daffodil

Mix of Orange, Yellow and Whites. Matrix series boasts large, thick-petaled, flowers are held beautifully over the foliage on strong, sturdy stems. Produces more flowers per plant than other pansies to create high-impact landscapes and containers.

Matrix Mix Jewels

Short, strong peduncles hold the large, thick-petaled, 3.5" flowers beautifully over the foliage. Matrix makes high-impact landscapes and containers. More flowers per plant in landscapes and containers.

Matrix Mix Raspberry

Short, strong peduncles hold the large, thick-petaled, 3.5" flowers beautifully over the foliage. Matrix makes high-impact landscapes and containers. More flowers per plant in landscapes and containers.

Matrix Mix Tricolor

Matrix TriColor Mix has a clear or pure color on each bloom. Included in this mixture is a rainbow array including Yellow, Purple, and Light Blue. Each flower is approximately 3 inches across and held on a compact stem for better support. Deadhead old blooms for continued flower production.

Matrix Morpheus

An updated version of 'Ultima Morpho' with larger flowers. Unique pattern and color combination.

Matrix Orange

Short, strong peduncles hold the large, thick-petaled, 3.5" flowers beautifully over the foliage. Matrix makes high-impact landscapes and containers. More flowers per plant in landscapes and containers.

Matrix Premium Rose Improved

The Matrix Series of Pansy is a greatly improved variety that grows well for customers in containers or in the landscape. This tough selection was design-engineered for an improved structure that leaves the customer with a plant that does not stretch and get spindly like some past varieties have. These plants will reach a maximum height of around 8 inches at maturity.

Matrix Purple

Short, strong peduncles hold the large, thick-petaled, 3.5" flowers beautifully over the foliage. Matrix makes high-impact landscapes and containers. More flowers per plant in landscapes and containers.

Matrix Spring Pink Shades

Short, strong peduncles hold the large, thick-petaled, 3.5" flowers beautifully over the foliage. Matrix makes high-impact landscapes and containers. More flowers per plant in landscapes and containers.

Matrix Sunrise

Extra-large flowers on strong, sturdy stems. Produces more flowers per plant than other pansies to create high-impact landscapes and containers.

Matrix Yellow

Matrix pansies are bred to hold up to the weather. Strong stocky plants and strong thick flowers stay upright longer through the season. Use in Garden beds, containers, hanging baskets and window boxes.

Combines well with other plants for mixed container designs.

Panola True Blue

Interesting cross of species has resulted in an outstanding pansy-viola like plant. Compact and free flowering the "Panola" definitely has taken the best of two species. Heat tolerant plants with consistently rounded flowers. Mounded plant habit.

Whiskers Purple & White

Each one of these mid-size blooms features a unique "cat face" pattern - in mass plantings, they really grab attention! Until F1 hybrid Whiskers arrived, this flower design could only be found on field-grown open-pollinated pansy mixes.

Whiskers Yellow

Each one of these mid-size blooms features a unique "cat face" pattern - in mass plantings, they really grab attention! Until F1 hybrid Whiskers arrived, this flower design could only be found on field-grown open-pollinated pansy mixes.

Petunia *Petunia x*

Crazytunia Cosmic Pink

This petunia has blooms in pink, plum and purple shades with a light edge. A great statement plant for mixed containers.

Crazytunia Cosmic Violet

Bold, star shaped large flowering Petunia in deep purple with a white edge. Trailing habit.

Crazytunia Pink Flamingo

Vibrant pink flowered petunia with yellow star in the center of the bloom. Trailing habit.

Crazytunia Razzmatazz

Crazytunia Razzmatazz has a mounding trailing habit. The plant is covered in red and yellow bicolor blooms.

Double Madness Blue

Double flowers in a dark velvety blue.

Double Madness Pink

Double flowers in hot pink.

Dreams Sky Blue

Free-flowering, tightly branched petunias. Weather tolerant plants are great in the garden.

Easy Wave Burgundy Velour

Fast-growing plants bloom freely all season in landscapes and containers without cutting back, and tolerate both heat and cooler conditions very well. Flower-filled plants grow a little more mounded than original Wave, with a more controlled spread.

Easy Wave Red

The Easy Wave series offers you the same excellent Wave petunia performance with a slightly more mounding habit. Use Easy Wave petunias in garden beds or containers, alone or combined with Wave petunias or other sun-loving plants.

Easy Wave White

The Easy Wave series offers you the same excellent Wave petunia performance with a slightly more mounding habit. Use Easy Wave petunias in garden beds or containers, alone or combined with Wave petunias or other sun-loving plants.

FotoFinish Blue

Deep purple/blue petunia with a mounding branching habit.

FotoFinish Burgundy

Deep burgundy petunia with a mounding branching habit.

Headliner Electric Purple Sky

This medium-vigor, mounded petunia is early flowering for a fast finish and features a dramatic color range. Unique purple/magenta speckled blossoms.

Headliner Night Sky

This medium-vigor, mounded petunia boasts early flowering for a fast finish and a dramatic color range. Unique purple speckled blossoms.

Headliner Pink Sky

This medium-vigor, mounded petunia boasts early flowering for a fast finish and a dramatic color range. Unique pink speckled blossoms.

Headliner Raspberry Swirl

This mounded petunia boasts early flowering for a fast finish and a dramatic color range.

Headliner Strawberry Sky

Mounding Petunia has large red blooms with white speckles. Great for landscape or containers.

Madness Red Morn

Combines large flower size with multiflora flower show to make impressive display in pots, beds and mass plantings all season until frost. Red with a white throat.

Madness Simply Salmon

Combines large flower size with multiflora flower show to make impressive display in pots, beds and mass plantings all season until frost.

Madness Waterfall Mix

Combines large flower size with multiflora flower show to make impressive display in pots, beds and mass plantings all season until frost.

Madness White

Combines large flower size with multiflora flower show to make impressive display in pots, beds and mass plantings all season until frost.

Madness Yellow

Large light yellow blooms. Plants have a mounding, branching habit.

Mambo Deep Purple

Mambo Petunias have large flowers (2-3") on smaller plants, making them a great choice for tight spaces and containers. Mounding/branching habit.

Mambo Pink

Mambo Petunias have large flowers (2-3") on smaller plants, making them a great choice for tight spaces and containers. Mounding/branching habit.

Mambo Plum

Mambo Petunias have large flowers (2-3") on smaller plants, making them a great choice for tight spaces and containers. Mounding/branching habit.

Mambo Rose Vein

Mambo Petunias have large flowers (2-3") on smaller plants, making them a great choice for tight spaces and containers. Mounding/branching habit.

Mambo Silver Blue

Mambo Petunias have large flowers (2-3") on smaller plants, making them a great choice for tight spaces and containers. Mounding/branching habit.

Mambo White

Mambo Petunias have large flowers (2-3") on smaller plants, making them a great choice for tight spaces and containers. Mounding/branching habit.

Sophistica Antique Shades

Sophistica collection Petunias have a mounded, upright habit with interesting flower colors and large blooms.

Sophistica Blackberry

Sophistica collection Petunias have a mounded, upright habit with interesting flower colors and large blooms.

Sophistica Lime Green

Sophistica collection Petunias have a mounded, upright habit with interesting flower colors and large blooms.

Supertunia Bermuda Beach

Extremely free-flowering Petunia; spreads less vigorously than most Supertunia

Best Seller, Award Winner, Heat Tolerant, Deadheading Not Necessary, Drought Tolerant

Supertunia Blue Veined

Always reliable variety, great flexible, ball-shaped plants that become engulfed in blooms. A standby variety in Europe.

Supertunia Bordeaux

Supertunia petunias are vigorous with slightly mounded habits that function as both fillers and spillers in containers. They are also excellent landscape plants, best suited to be placed near the front of beds. Bordeaux is a light purple Supertunia with dark veining.

Supertunia Daybreak Charm

Daybreak Charm is a bright pink petunia with a yellow throat.

Supertunia Honey

Supertunia Honey is a vigorous grower with a slightly mounded habits and cheerful honey yellow blooms. It can function as both a filler and spiller in containers. They are also excellent landscape plants, best suited to be placed near the front of beds. They have medium to large sized flowers.

Supertunia Limoncello

Supertunia petunias are vigorous with slightly mounded habits that function as both fillers and spillers in containers. They are also excellent landscape plants, best suited to be placed near the front of beds. Smaller flowered variety. Pale yellow with a darker yellow vein

Supertunia Lovie Dovie

White and pink blooms cover this trailing Petunia. Star pattern adds interest to this exciting new Petunia!

Supertunia Mini Vista Hot Pink

Supertunia Mini Vista petunias are vigorous with slightly mounded habits that function as both fillers and spillers in containers. They are also excellent landscape plants best suited to be placed near the front of beds. They have small flowers.

Supertunia Mini Vista Pink Star

This Supertunia is a cheerful mix of white and pink. Supertunia petunias are vigorous with slightly mounded habits that function as both fillers and spillers in containers. They are also excellent landscape plants, best suited to be placed near the front of beds. They have medium to large sized flowers.

Supertunia Mini Vista Violet Star

Supertunia Violet Star Charm petunias are mounded with purple and white blossoms, but will also spill over the edges of containers. They are great container plants and will function as both spillers and fillers in combination planters. They are incredibly good landscape plants, best used at the front of beds.

Supertunia Persimmon

Supertunia petunias are vigorous with slightly mounded habits that function as both fillers and spillers in containers. They are also excellent landscape plants, best suited to be placed near the front of beds. They have medium to large sized flowers.

Supertunia Raspberry Rush

Supertunia petunias are vigorous with slightly mounded habits that function as both fillers and spillers in containers. They are also excellent landscape plants, best suited to be placed near the front of beds. They have medium to large sized flowers. Pink and white blooms.

Supertunia Really Red

A true red trailing Petunia. Great for containers, beds, or hangers.

Supertunia Royal Magenta

Deep magenta all the way through the flower. Thrives in full sun, covered with flowers and very vigorous trailing habit. Low maintenance - plants clean themselves.

Supertunia Royal Velvet

Royal Velvet supertunia is close to being day length neutral. Blooms all season long on vigorous plants in a fantastic dark purple.

Supertunia Saffron Finch

Lemon yellow supertunia with a trailing habit.

Supertunia Trailing Rose Vein

Supertunia Trailing petunias are very strongly trailing, with very little height. They will function as spillers in containers, but are also good as front-of-the-bed plants for landscapes. If your goal for hanging baskets or window boxes is to have the plants be as long as possible, Supertunia Trailing is the best choice. They have small flowers.

Supertunia Vista Bubblegum

Vigorous grower with a mounding habit. They can mound up to 2 feet in a container, or trail in a hanger or as a landscape plant.

Supertunia Vista Fuchsia

Vigorous, mounding plants are perfect landscape fillers; blooms all season; low maintenance. Proven Winner Award Winner.

Supertunia Vista Jazzberry

Vista Jazzberry is 2024 annual of the year from Proven Winners. Great plant with a spreading, trailing habit covered in purple/pink flowers.

Supertunia Vista Silverberry

Supertunia Vista petunias are very vigorous, with mounding habits that can reach up to 2 feet in height in the landscape and will trail over the edges of baskets and containers up to 4 feet by the end of the season. They are fantastic landscape plants and are great in large containers, where they function as both fillers and spillers. In garden beds, they will work either in the front or middle of the bed. They have medium-sized flowers.

Supertunia Vista Snowdrift

Supertunia Vista petunias are very vigorous, with mounding habits that can reach up to 2 feet in height in the landscape and will trail over the edges of baskets and containers up to 4 feet by the end of the season. They are fantastic landscape plants and are great in large containers, where they function as both fillers and spillers. In garden beds, they will work either in the front or middle of the bed. They have medium-sized flowers.

Surfinia Heavenly Blue

Cascading habit makes this soft lavender-blue Petunia great for hanging baskets.

Wave Blue

AAS Winner. Wave Blue spreading petunia is a 2003 All-America Selections winner and a Fleuroselect Gold Medal Winner. Proof positive of tremendous outdoor performance across North America and Europe!

Wave Pink

Ground cover habit creates a solid carpet of creeping foliage.

Wave Purple

Wave has set the standard for petunia landscape performance and continues to transform gardens around the globe. Pro landscapers and home gardeners alike choose low-growing, wide-spreading Wave varieties for every sunny setting: gardens, baskets, large color bowls and more.

Phlox *Phlox hybrida*

21st Century Phlox

New - the first ever F1 Hybrid Phlox. Much better vigor than other annual phlox, with superior, fuller, more floriferous plants. Masses of vividly colored flowers throughout the season, including bright crimson, scarlet, coral, blue, white and complimentary eyed and bi-colored selections.

Intensia Blueberry

Great in containers and landscapes, this phlox hybrid blooms all summer with no deadheading required!

Intensia Red Hot

This red hot Phlox joins the Intensia series in 2018, making a complete red white and blue series! Plant together for a patriotic mix, or use separately.

Intensia White

Plants covered with blooms all summer and fall. Rounded plants are vigorous and free-flowering. Cascading habit and cold tolerance. A great addition to a hanging basket, mixed pot or for the front of the border.

Tapestry

Free flowering cultivar offers a blend of warm rich shades. Lilac, blue, pink, rose, cerise, geranium, buff, buttercream and white. Solid colors and intricate bi-colors. Honey-like meadow sweet fragrance. Full Sun.

Poppy *Papaver nudicaule*

Champagne Bubbles

Our favorite alpine poppy from seed. Flowers are papery thin, almost crepe-like and come in a mix of pastel colors and bright reds and pinks.

Shirley Double Mix

Incredible double blooms - blooms profusely. Stems should be cut underwater and seared for best results. Short vase life, but very stunning.

Portulaca *Portulaca grandiflora*

Happy Hour Fuchsia

The Happy Hour series is mounding with narrow, green leaves and uniform flowering among the collection. Butterflies and hummingbirds flock to the bright colors. Flower will close at night and during cloudy days. Is at home when placed in a hot, dry place such as a border along a driveway or sidewalk. Can also be used in rock gardens, walls, containers, or as a mass planting in the garden. As long as it is exposed to the sun and can avoid wet feet, you should be good to go.

Happy Hour Lemon

The Happy Hour series is mounding with narrow, green leaves and uniform flowering among the collection. Butterflies and hummingbirds flock to the bright colors. Flower will close at night and during cloudy days. Is at home when placed in a hot, dry place such as a border along a driveway or sidewalk. Can also be used in rock gardens, walls, containers, or as a mass planting in the garden. As long as it is exposed to the sun and can avoid wet feet, you should be good to go.

Happy Hour Mix

Portulaca 'Happy Hour Mix' is a well branched, mounding, heat loving annual that gives a great show all summer. Bring on the heat and watch this summer favorite go bloom crazy with its large, semi double flowers that come in a array of colors such as white, pink, orange, & yellow.

Happy Hour Orange

The Happy Hour series is mounding with narrow, green leaves and uniform flowering among the collection. Butterflies and hummingbirds flock to the bright colors. Flower will close at night and during cloudy days. Is at home when placed in a hot, dry place such as a border along a driveway or sidewalk. Can also be used in rock gardens, walls, containers, or as a mass planting in the garden. As long as it is exposed to the sun and can avoid wet feet, you should be good to go.

Portogrande Magenta

These vibrant, large blooms thrive in hot and arid conditions, functioning as a flowering succulent. Use these plants with full trailing habits in landscapes, baskets and mixed containers.

Portogrande Orange

Large orange blooms cover this trailing succulent plant all season long. Heat and drought tolerant, this plant makes a great addition to full sun hanging baskets, containers, or landscape plantings.

Portogrande Raspberry Lemonade

Pink and yellow bicolor flowers cover this trailing succulent plant all season long. Heat and drought tolerant, this plant makes a great addition to full sun hanging baskets, containers, or landscape plantings.

Portogrande Scarlet

These vibrant, large blooms thrive in hot and arid conditions, functioning as a flowering succulent. Use these plants with full trailing habits in landscapes, baskets and mixed containers.

Portogrande Yellow

These vibrant, large blooms thrive in hot and arid conditions, functioning as a flowering succulent. Use these plants with full trailing habits in landscapes, baskets and mixed containers.

Ranunculus *Ranunculus asiaticus*

Bloomingdale mix

Extra-dwarf plant habit with small leaves. Flowers are large, fully double, on short sturdy stems.

Sage *Salvia apiana*

White Sage

Aromatic Native American incense herb. Dusty gray-green leaves with classic sage scent. Looks great in combinations with dark purples, bright yellows.

Salvia *Salvia guaranitica*

Black and Blue

This tender perennial blooms from July thru frost, Foliage is a clear bright green. True blue blooms on black stems.

Coral Nymph

Coral and white bicolor flowers. Nice semi-dwarf habit.

Marble Arch Mix

This plant is a workhorse! It makes for an amazing feature in the garden as well as an awesome cut. It just keeps on blooming! It is also well loved by our bee friends and pollinators! Great mix of rose, blue, white from summer through early fall. 26-28" branches.

Rhea

Tall spikes of violet blue flowers backed by handsome gray-green foliage. This drought tolerant selection is attractive to bees, butterflies and birds. Grown as a border annual for quick, bright summer colour.

Rockin' Blue Suede Shoes

Salvia Blue Suede Shoes features light blue flowers with a black calyx on tough upright growing plants that hummingbirds love! Use them as the center thriller in combinations or in the landscape. Great in mass, borders or specimen.

Rockin' Deep Purple

A great Salvia from Proven Winners. Dark Purple, almost black blooms on a vigorous plant. Attracts pollinators, makes a great cut flower and is a beautiful addition to garden beds or large containers.

Rockin' Fuchsia

A great Salvia variety from Proven Winners. Fuchsia blooms on a vigorous plant. Attracts pollinators, makes a great cut flower and is a fantastic addition to containers or garden beds.

Rockin' Playin' the Blues

Beautiful blue flowers on sturdy, vigorous plants. This Salvia makes a great statement in containers or as a landscape plant.

Summer Jewel Lavender

The fourth AAS Winner in the Summer Jewel series of popular AAS Salvia Winners is the newest in color, Summer Jewel Lavender. The unique flower color of dusty lavender purple is a delight in the garden and flower containers as well as a major attractor of pollinators including bees, butterflies and hummingbirds. An extra bonus is how much the Goldfinch loves these flower seeds in the fall.

Summer Jewel Pink

Winner of a 2012 All America Selection award, Summer Jewel Pink is a dwarf annual sage with super-abundant blooms of soft powder pink.

Summer Jewel Red

The bright red flower spikes are a delight in the garden and flower containers as well as a major attractor of pollinators including bees, butterflies and hummingbirds.

Summer Jewel White

'Summer Jewel White' blooms two weeks earlier than other white salvias of this type, with the compact growing, heavy blooming, hummingbird attracting qualities typical of this extraordinary series. 2015 AAS Bedding Plant Award Winner.

Unplugged Pink

This salvia is one of the best garden plants you can add to your garden. It will shrug off heat and humidity and just keep flowering. The flowers are pink to fuchsia with a black calyx and very deep green foliage. It tops out at about 2 feet, perfectly sized for containers and great for the front to the middle of beds and as a thriller in pots.

Victoria Blue

Victoria Blue Salvia plants reach 18"-24" tall, with a similar spread. The deep blue flowers run up and down 8"-10" flower spikes. The foliage is also attractive, being a grayish-green. This type of ornamental sage blooms all summer long.

Vista Purple

Vista series is an exceptional dwarf salvia series producing 12-14" plants with flower spikes from 4-5" tall. Outdoor performance is excellent. Lush green foliage is maintained throughout the summer. new for SLF in 1999.

Vista Red

Vista series is an exceptional dwarf salvia series producing 12-14" plants with flower spikes from 4-5" tall. Outdoor performance is excellent. Lush green foliage is maintained throughout the summer.

Vista Salmon

We're trying this Salmon variety for 2003. Vista series is an exceptional dwarf salvia series producing 12-14" plants with flower spikes from 4-5" tall. Outdoor performance is excellent. Lush green foliage is maintained throughout the summer.

Sanvitalia *Sanvitalia speciosa*

Sunbini

Full, lush, vigorous habit makes this a showstopper for summer containers. More compact than other Sanvitalia varieties and it loves hot, dry, abusive weather.

Scabiosa *Scabiosa atropurpurea*

Olympia Mix F1

Attractive flowers are great for cutting. 2-3" flowers with long, wiry stems. Shades of lilac, scarlet, dark red, rose, blue and violet. A great cut flower that we have grown in our cutting garden for years.

QIS Formula Mix

Sturdier and more upright than other Scabiosa. 1 1/2-2 1/2" blooms are salmon red, dark blue, and salmon pink. Heat tolerant plants. Sturdy stems makes a great cut flower.

Starflower

Star-shaped seed pods. Pincushion type flowers give way to intricate, round seed heads.

Scaevola *Scaevola x.*

Whirlwind Blue

More is better, especially when it's more flowers that bloom longer than other Scaevola varieties. Besides fantastic, deep blue color, 'Whirlwind Blue' also has the characteristic Whirlwind compact, well-branched habit, and ability to tolerate a range of conditions.

Whirlwind Pink

Whorls of mid-pink blooms on heat and drought resistant plants. Pair with another color of Whirlwind Scaevola for a low-maintenance combination. Trails up to 24".

Whirlwind White

Strong plant is very durable and loves sun and heat. Blooms all summer and through the fall. Cascading/trailing habit works well with mixed containers, in beds, over rock walls, in window boxes and on and on.

Sedum *Sedum x*

Lemon Coral

The spikey chartreuse foliage looks like it would be tough and prickly, but is actually quite soft and "petable." It is wonderful in landscapes and is an outstanding container plant, where it will fall over the edge of containers. It loves heat and can tolerate dry soils, although average moisture will keep it looking fresh. Lemon Coral is grown for its lovely foliage, although if you are lucky it may bloom as well.

Senetti *Pericallis x*

Senetti Magenta Bicolor

Senetti thrives in cool temperatures and provides high colour impact early in the season. Senetti is available in a wide range of colors such as vivid blues, magentas, violets and stunning bicolors. Senetti is unique in its re-blooming ability. Flowers bloom from early spring until summer.

Senetti Super Blue

Senetti thrives in low temperatures and provides high colour impact early in the season. Senetti is available in a wide range of colors such as vivid blues, magentas, violets and stunning bicolors. Senetti is unique in its re-blooming ability. Flowers bloom from early spring until summer.

Skyscraper Senecio *Curio ficoides*

Mount Everest

Curio ficoides 'Mount Everest' is an attractive succulent with upright stems that bear thick fleshy blue-green leaves covered with a waxy coating.

Snapdragon *Antirrhinum majus*

Rocket Mix

AAS Winner. One of our favorite series for cut flowers. This mix grows on tall, sturdy stems.

Rocket Orchid

Great cut flower or for the mid-back of the border. Unique color. Used in our cut flower gardens.

Rocket White

The unrivalled king of the Tall Snaps, Rocket boasts big, densely-packed plumes atop vigorous 2 1/2- to 3-foot plants, glowing with dazzling white flowers in cool, sunny weather! The more you cut, the more you get with this very floriferous performer, and the flowers emit a rich, spicy scent you will love in the garden or the vase! Nice in the middle of the border.

Sonnet Burgundy

Medium height snapdragons. Great for bedding or containers.

Sonnet Carmine

Medium height red snapdragon, great for containers or garden beds.

Sonnet Mix

Medium height snapdragons. Great for bedding or containers.

Sonnet Pink

Medium height snaps. Makes a nice cut flower

Sonnet White

Medium height snaps. Makes a nice cut flower.

Sonnet Yellow

Medium height snaps.

Spurred Snapdragon *Linaria hybridus*

Enchantment

A Fantastic Flowers and Cool Season Thrivers selection! Very fragrant blooms of intense magenta with gold "bee" are produced continuously under cool conditions, making this an excellent Winter bedding plant. Better heat tolerance and longer season performance than other cool-season crops. Upright and well-branched with a 14 to 16-in. (35 to 40-cm) garden height and 12 to 14-in. (30 to 35-cm) spread.

Fantasia Mix

Mixed dwarf Linaria in Pink, Blue, Rose, White, and Yellow. Early blooming and cold tolerant.

Statice *Limonium sinuatum*

Pacific Strains Mix

Excellent uniformity. Strong stems support full flower heads of superior quality. Use fresh or dried in arrangements.

Strawberry *Fragaria vesca*

Fresca

Fresca is an everbearing strawberry that produces delicious 1" fruit all summer long.

Strawflower *Helichrysum bracteatum*

Bikini Mix

Great as cut flowers fresh or dried. Nice mounding habit.

Flambe Yellow

Drought tolerant, Heat tolerant, sandy soil tolerant, frost tolerant to 30F with minimal damage, so good for extending season both in spring and in fall. Somewhat salt tolerant.
Goes great with: Coleus Royal Glissade, Intensia Phlox, Superbells Calibrachoa, any annuals or perennials where silver foliage can act as an accent. Best in bright full sun conditions!

Sunflower *Helianthus annuus*

Miss Sunshine

These pollen-free plants do not aggravate allergies and there is no messy pollen to drop. The 3 to 4-in. (7 to 10-cm), sunny golden-coloured blooms

Rouge Royale

Exquisite, deep burgundy petals surround an ebony center. A pollenless, branching variety with 3-6" blooms that are a hit with everyone. ht. 60-80"

Soraya

AAS Winner and Fleuroselect Quality winner. New for 2000. Single 6" flowers are orange. Great for cut flowers.

Sunfinity

Sunfinity boasts continuous branching and blooming all season long and keeps on growing long after traditional single-stem sunflowers have bloomed and died. Throughout the season, you can even cut Sunfinity's flowers and bring them into your home to enjoy. They leave no messy pollen on your tables and will keep for about a week in tap water.

Sunrich Lemon

Produces no pollen, excellent cut flower. 6-8" blooms on 3' plants. Non-branching, early.

Sunrich Orange

Produces no pollen. Excellent cut flower. early season, single stem.

Sweet Pea *Lathyrus odoratus*

Mammoth Mixed

Best for cutting - sweet scented, ruffled edges in soft pastel colors. It needs to be trellised so it is great for fences and arbors.

Sweet Potato Vine *Ipomea batatas*

Blackie

Dark, rich near-black foliage. Sweet potato vine - great for use in mixed containers as an accent plant. Unique leaf shape and shading creates a wonderful background or interspersed planting. "Potatoes" can be saved from year to year, (treat like a dahlia tuber).

Illusion Emerald Lace

very compact, dense, lacy foliage, strong mounding habit

Illusion Midnight Lace

A great foliage component plant in combinations, excellent heat tolerance and good vigor. Great also as an annual ground cover.

Margaurite

Unique Chartreuse foliage. Sweet potato vine - great for use in mixed containers as an accent plant. Unique leaf shape and shading creates a wonderful background or interspersed planting. "Potatoes" can be saved from year to year, (treat like a dahlia tuber).

Sweet Caroline Jet Black

Heart shaped black leaves trailing up to 3'. Makes a dramatic accent for hanging baskets and mixed containers. Full sun.

Sweet Caroline Light Green

Great foliage component plant in combinations; excellent heat tolerance and vigor.

Sweet Caroline Sweetheart Lime

Lime green foliage, vigorous grower.

Sweet Caroline Sweetheart Red

Ipomoea 'Sweet Caroline Sweetheart Red' is a vigorous, trailing, Sweet Potato Vine. The heart shaped foliage and variation in foliage colors ranging from deep burgundy to chartreuse make 'Sweet Caroline Sweetheart Red' a unique choice for a trailing Sweet Potato Vine in your combination planters.

Talinum *Talinum paniculatum*

Limon

Chartreuse foliage with delicate flowers dancing above adds great interest to Mixed Containers and landscapes. Low maintenance.

Thunbergia *Thunbergia alata*

Sunny Susy Rose Sensation

The dark-eyed flowers open a rich pink fade into lighter pastel shades as the days progress producing a multi-colored display from spring to fall.

Tickseed *Coreopsis tinctoria*

Hohe Mix

Excellent filler for flower bouquets. Red, brown-red 1 1/2" daisy-like blooms have brown tips or brown with yellow tips. Spidery foliage. Long bloom period. Re-seeds freely.

Torenia *Torenia x*

Catalina Gilded Grape

Shade tolerant torenia, with its bright snapdragon-like flowers is a great choice for containers or hangers. Continuous bloomer, no deadheading required.

Catalina Grape-o-licious

Catalina varieties are high-value plants with an extra helping of heat tolerance and oversized blooms. They are also among the few varieties that bloom in the shade, and are a wonderful crop alternative in areas where downy mildew is a concern.

Catalina Midnight Blue

A new series that fills hanging baskets and containers with masses of color, and wonderful as a groundcover in shady areas.

Kauai Mix

Kauai Mix makes a great statement flower for shade. Superior performance in extreme heat and humidity. Exotic appearance in small garden settings, mixed combos and colour bowls; also suited to indoor containers.

Summer Wave Blue

Amethyst-colored flowers all season. This is a great low-maintenance, heat tolerant shade plant. Trails up to 36 inches.

Verbena *Verbena bonariensis*

Bonariensis

Wiry stems bear flat panicles of purple flowers all summer long. Self sows. Nice cut flower. Great for pollinators. Butterflies love this flower! Self sows readily.

Imagination

All American Selections, and Fleuroselect winner! Heat and drought tolerant.

Obsession Blue w/ eye

Blue verbena with upright habit. These plants flower all summer long.

Obsession White

White verbena with upright habit. These plants flower all summer long.

Peaches & Cream

A delightful combination of pastel shades from apricot to orange. Large flowers that stay in bloom over a long period.

Quartz Mix

Verbena Quartz series offers mounded, compact 10-12" plant habit and tolerance to mildew. Lustrous umbels with larger than normal florets give the series an eye appeal.

Quartz Scarlet

Verbena Quartz series offers mounded, compact 10-12" plant habit and tolerance to mildew. Lustrous umbels with larger than normal florets give the series an eye appeal.

Superbena Cobalt

Superbena Verbenas are vigorous and mounded, but will trail over the sides of containers. They will function as both spillers and fillers in combination planters and are best planted at the front of landscape beds.

Superbena Pink Cashmere

Superbena Verbenas are vigorous and mounded, but will trail over the sides of containers. They will function as both spillers and fillers in combination planters and are best planted at the front of landscape beds.

Superbena Raspberry

Superbena verbenas are very vigorous with strongly trailing habits. They need relatively long days to bloom and are difficult to produce in small container sizes. They have very large flowers and umbels. They are great in landscapes and containers. In landscapes, they are best used at the front of beds and they function as spillers in combination planters. If you are looking for a colorful annual ground cover, Superbena is a great choice.

Superbena Royale Peachy Keen

Superbena Royale verbenas are vigorous and mounded, but will trail over the sides of containers. They will function as both spillers and fillers in combination planters and are best planted at the front of landscape beds. They will bloom earlier in the season and more easily produceable in smaller containers than regular Superbena varieties.

Superbena Royale Plum Wine

Superbena verbenas are very vigorous with strongly trailing habits. They need relatively long days to bloom and are difficult to produce in small container sizes. They have very large flowers and umbels. They are great in landscapes and containers. In landscapes, they are best used at the front of beds and they function as spillers in combination planters. If you are looking for a colorful annual ground cover, Superbena is a great choice.

Superbena Royale Romance

Superbena Royale verbenas are vigorous and mounded, but will trail over the sides of containers. They will function as both spillers and fillers in combination planters and are best planted at the front of landscape beds. They will bloom earlier in the season and more easily produceable in smaller containers than regular Superbena varieties.

Superbena Scarlet Star

Superbena verbenas are very vigorous with strongly trailing habits. They need relatively long days to bloom and are difficult to produce in small container sizes. They have very large flowers and umbels. They are great in landscapes and containers. In landscapes, they are best used at the front of beds and they function as spillers in combination planters. If you are looking for a colorful annual ground cover, Superbena is a great choice.

Superbena Sparkling Amethyst

Bicolor white and purple blooms on vigorous, trailing plants. Superbena verbenas are very vigorous with strongly trailing habits. They need relatively long days to bloom and are difficult to produce in small container sizes. They have very large flowers and umbels.

Superbena Sparkling Rose

Bicolor pink and white flowers on this Superbena. Great performance all summer long.

Superbena Stormburst

Superbena verbenas are very vigorous with strongly trailing habits. Stormburst has a white and lavender blossom. They have very large flowers and umbels. They are great in landscapes and containers. In landscapes, they are best used at the front of beds and they function as spillers in combination planters. If you are looking for a colorful annual ground cover, Superbena is a great choice.

Superbena Violet Ice

Superbena verbenas are very vigorous with strongly trailing habits. They need relatively long days to bloom and are difficult to produce in small container sizes. They have very large flowers and umbels. They are great in landscapes and containers.

Superbena Whiteout

Superbena verbenas are very vigorous with strongly trailing habits. They need relatively long days to bloom and are difficult to produce in small container sizes. They have very large flowers and umbels. They are great in landscapes and containers. In landscapes, they are best used at the front of beds and they function as spillers in combination planters. If you are looking for a colorful annual ground cover, Superbena is a great choice. A true white Verbena.

Tuscany Mix

Big blooms and sunny colors that last. Upright habits are perfect for small to medium-sized containers.

Tuscany Peach

Big blooms and peachy color that lasts. Upright habits are perfect for small to medium-sized containers.

Tuscany Twister Purple Shades

Big blooms in violet bicolor that last. Upright habits are perfect for small to medium-sized containers. Strong garden vigor outlasts other Verbena.

Vinca vine *Vinca*

Maculata

Beautiful green vinca with pinkish stems.

Wojo's Jem

Nice trailing vinca with variegated yellow and green leaves.

Viola *Viola X Wittrockiana*

Colormax Yellow Jump Up

ColorMax is a giant-flowered viola that is heat tolerant and fills pots easily, even under heat stress where standard violas suffer. ColorMax is a superb autumn performer and a great choice to start the season.

Sorbet - Delft Blue

Violas are a key pro landscaper item and Sorbet XP excels at every turn: plants cover the soil at flowering, with more blooms on every plant and less stretching; early; stay compact in both heat and cold; excellent overwintering; wide range of clear colours allows for custom mixes.

Sorbet - Lemon Chiffon

Hybrid vigor combined with early uniform flowering gives the Sorbets outstanding performance. Long season garden use. Single viola flower, free-flowering in pots or garden. Compact plant habit.

Sorbet - Mix

Hybrid vigor combined with early uniform flowering gives the Sorbets outstanding performance. Long season garden use. Single viola flower, free-flowering in pots or garden. Compact plant habit.

Sorbet - Morpho

Attractive blue and yellow bicolor. Sorbet XP varieties offer growers a uniform plant habit. Always considered early bloomers, Sorbet XP's are low growing outdoors and will remain compact in both heat and cold environments. They are perfect for both spring and fall plantings.

Sorbet - XP Pink Wing

Early-blooming, free-flowering plants remain compact in both heat and cold and have excellent overwintering ability.

Sorbet - XP True Blue

Early-blooming, mounded free-flowering plants remain compact in both heat and cold.

Wallflower *Erysimum x*

Sugar Rush Mix

Sweetly scented and withstands very cold temperatures. The color palette is perfect for both fall and spring.

Zinnia *Zinnia elegans*

Benary's Giant Formula Mix

This bloom is a tried and true. Easy to grow, lovely in the gardens and is such a giver! The more blooms you cut from this plant the more it will produce! This mix has a great range of colors. If I could have them in every row I totally would. They are just so cheery. Show-stopping giant dahlia-flowered mix. Densely petaled blooms up to six inches across in shades of pink, crimson, lavender, carmine, yellow, orange, red and white. Excellent vase life. Vigorous plants hold up well to summer heat.

Cut & Come Again

This beloved, old fashioned zinnia got its name because the sturdy, vigorous plants bear continuously for months, providing armfuls of sweet, candy-bright flowers to enjoy both indoors and out. Cut and Come Again blooms in a wonderful color range that includes cream, salmon, rose pink, scarlet, butter yellow, magenta, crimson and cheerful orange. The vibrant, many-petaled 2 to 3 inch blooms come in double, single and semi-double flower forms with centers that open into a circle of golden stars.

Magellan Cherry

Zinnia 'Magellan' are uniform, bushy, free flowering plants that produce large, fully double blooms of exceptional quality and weather resistance. Ideal when planted in borders and containers for a knock out display all summer.

Magellan Coral

Zinnia 'Magellan' are uniform, bushy, free flowering plants that produce large, fully double blooms of exceptional quality and weather resistance. Ideal when planted in borders and containers for a knock out display all summer.

Magellan Mix

Zinnia 'Magellan' are uniform, bushy, free flowering plants that produce large, fully double blooms of exceptional quality and weather resistance. Ideal when planted in borders and containers for a knock out display all summer.

Magellan Pink

Zinnia 'Magellan' are uniform, bushy, free flowering plants that produce large, fully double blooms of exceptional quality and weather resistance. Ideal when planted in borders and containers for a knock out display all summer.

Magellan Salmon

Zinnia 'Magellan' are uniform, bushy, free flowering plants that produce large, fully double blooms of exceptional quality and weather resistance. Ideal when planted in borders and containers for a knock out display all summer.

Magellan Scarlet

Zinnia 'Magellan' are uniform, bushy, free flowering plants that produce large, fully double blooms of exceptional quality and weather resistance. Ideal when planted in borders and containers for a knock out display all summer.

Magellan Yellow

Zinnia 'Magellan' are uniform, bushy, free flowering plants that produce large, fully double blooms of exceptional quality and weather resistance. Ideal when planted in borders and containers for a knock out display all summer.

Mazurkia

Mazurkia is a striking bi-color zinnia add both interest and texture to mixed bouquets. The double 3" flowers produce scarlet petals tipped with cream. The strong plants exhibit excellent branching allowing multiple cuts. 25-30 Height: 25-30", 12-15" spread.

Profusion Apricot

A lovely pale pinky-orange from the extremely versatile and popular 'Profusion' series. These zinnias are great in the landscape and gardens due to their continuous flowering, lack of mildew and hardy plant habit.

Profusion Cherry

Profusion Cherry is a bright cherry red from the extremely versatile and popular 'Profusion' series. These zinnias are great in the landscape and gardens due to their continuous flowering, lack of mildew and hardy plant habit.

Profusion Double Cherry Hot

This award winner features rich rose, double petalled blooms which cover flower continuously from spring through frost. The bright color does not fade, even under high temperatures. Like all Profusion, 'Double Hot Cherry' is easy to grow as it is self-cleaning, disease resistant and grows well in a wide range of climates, including areas with high night temperatures. The flowers can grow 2.5 to 3 inches in diameter and plants grow 8 to 14 inches tall and 24 inches wide.

Profusion Mix

A mix of all the colors in the very versatile Zinnia Profusion series. Great in full sun - can take dry conditions.

Profusion Orange

A bright, cheerful orange from the extremely versatile and popular 'Profusion' series. These zinnias are great in the landscape and gardens due to their continuous flowering, lack of mildew and hardy plant habit.

Profusion White

Another in the winning 'Profusion' series of zinnias. Very tolerant of garden conditions and dry spots.

State Fair

This one is a sure winner. State Fair Mix has jumbo 5" flowers, a wide range of colors and tall, robust plants. Colors include red, yellow, orange, purple, pink, white and bicolors. Disease resistant with terrific sun and heat tolerance.

Zahara Double Raspberry Ripple

Double Zahara blooms are fully double and are larger than the competition. Cooler temperatures accentuate the rose; as flowers age and under more heat, the white comes out more.

Zahara Double Yellow

Double yellow! Zinnias are summer stalwarts: never failing to deliver on gorgeous color, radiant personality, and proven hardiness.

Zahara Mix

A Hot Summer Survivors selection!
This all-new disease-tolerant, heat-loving series has 20% larger flowers in stronger colours than the market leader - including a triple play of the first Yellow, the first Scarlet and the first well-balanced Mixture in a zinnia of this type! Once established in the ground, drought-tolerant Zahara has very low water needs.

Zahara Scarlet

A Hot Summer Survivors selection!
This all-new disease-tolerant, heat-loving series has 20% larger flowers in stronger colours than the market leader - including a triple play of the first Yellow, the first Scarlet and the first well-balanced Mixture in a zinnia of this type! Once established in the ground, drought-tolerant Zahara has very low water needs.

Zahara Yellow

A Hot Summer Survivors selection!
This all-new disease-tolerant, heat-loving series has 20% larger flowers in stronger colours than the market leader - including a triple play of the first Yellow, the first Scarlet and the first well-balanced Mixture in a zinnia of this type! Once established in the ground, drought-tolerant Zahara has very low water needs.

Zinnita

This bright little mixture features 1-1/2 to 2" fully double flowers on extra-dwarf, well-branched plants. The globe-shaped plant habit, along with the bright clean colors, make this zinnia mix ideal for garden borders, containers and window boxes.
