

# 2026 Spring Ledge Farm Shares

One of our most popular CSA (Community Supported Agriculture) programs!  
The Farm Shares CSA is a flexible choice model of CSA.

For information on all of our CSA programs,  
please visit our website at [springledgefarm.com](http://springledgefarm.com).

Buying a Farm Share at Spring Ledge is a form of Community Supported Agriculture (CSA).  
CSAs work when a customer pre-purchases shares to help with the farmer's annual start-up and  
maintenance costs.

This helps the farmer during the "off season", when there is  
essentially no product to sell and little cash flow, but still plenty of  
expenses required to keep the farm running. The farm uses these Farm  
Share monies as mini loans. The customer loans us the money, then the  
farm pays back that money, plus a percentage, in the form of fresh  
plants, fresh produce or anything else that the farm sells.

Farm Shares purchased

by January 15th, 2026 add 10% to amount loaned;

by February 28th, 2026 add 5% to amount loaned;

by March 15th, 2026 add 3% to amount loaned.

Since Spring Ledge offers everything from hanging baskets to  
perennials and arugula to zucchini, this particular Farm Share CSA  
model uses store credit. It differs from a traditional CSA (of which  
we also offer in the form of a Flower CSA) in that the customer  
makes the choices about what products they receive, meaning they  
can come in anytime and buy what they like with the amount of  
money they invested. All this helps keep dollars in the local  
economy.

Farm Shares are issued in the form of pre-purchased credit at the farm, in value  
increments of \$100. We recommend Farm  
Shares be purchased with cash or check. If  
purchasing with a credit card or online, there is  
a 3% convenience fee. You may purchase as  
many shares as you wish. We will issue you a  
SLF swipe card containing your farm share  
monies. You may redeem this credit starting  
March 30th, 2026. Use it during the entire  
season for any items available at Spring Ledge  
Farm. Farm Shares do not expire! Any extra  
credit remaining at the end of the calendar year  
is passed through to the next year.

10% added on if paid by Jan. 15th *with cash or check*  
5% added on if paid by February 28th *with cash or check*  
3% added on if paid by March 15th *with cash or check*.
