

Geranium *Pelargonium x hortorum*

Calliope Medium Deep Rose

Large double deep pink flowers and intense flowering all-season long creates an impact in the garden.

Pink 14-18" tall by 20"

Bloomtime May June July August September Octob

Calliope Medium Violet

Calliope geraniums takes color to a whole new level in geraniums with stunning, vibrant color all season long. They also have outstanding mounding habit. Calliope is a breakthrough interspecific cross that combines the best characteristics of ivy and zonal geraniums. Because of its excellent branching characteristics, heat tolerance and vigor, Calliope maintains a mounding habit and incredible flower power in the garden - even under extremely hot conditions. In addition, it does not become overgrown by other plants in mixed containers.

Violet 10-16" tall by 20"

Bloomtime May June July August September Octob

Ivy Geranium *Pelargonium peltatum*

Bright Cascade

Traditional European ivy features a gorgeous waterfall of bright red color when used in window boxes and hanging baskets. Grows vigorous and carefree, requiring minimal maintenance for maximum flower set.
