

Geranium *Pelargonium x hortorum*

Calliope Medium Deep Rose

Large double deep pink flowers and intense flowering all-season long creates an impact in the garden.

Calliope Medium Violet

Calliope geraniums takes color to a whole new level in geraniums with stunning, vibrant color all season long. They also have outstanding mounding habit. Calliope is a breakthrough interspecific cross that combines the best characteristics of ivy and zonal geraniums. Because of its excellent branching characteristics, heat tolerance and vigor, Calliope maintains a mounding habit and incredible flower power in the garden - even under extremely hot conditions. In addition, it does not become overgrown by other plants in mixed containers.

Sidoides

A tufted pelargonium with velvety silver leaves and almost black flowers. It is very similar to some forms of *P. reniforme*, but is easily distinguished by its blackish, rather than pink petals. The long-stalked leaves are mildly aromatic, heart-shaped and velvety.

Ivy Geranium *Pelargonium peltatum*

Cascade Dark Red

Extremely floriferous with large single flowers. Vigorous trailing habits makes Cascade ideal for big baskets and window boxes.

Ivy League Burgundy

Traditional European ivy features a gorgeous waterfall of bright red color when used in window boxes and hanging baskets. Grows vigorous and carefree, requiring minimal maintenance for maximum flower set.

Ivy League Deep Pink

Traditional European ivy features a gorgeous waterfall of bright red color when used in window boxes and hanging baskets. Grows vigorous and carefree, requiring minimal maintenance for maximum flower set.

Ivy League Hot Coral

Traditional European ivy features a gorgeous waterfall of bright red color when used in window boxes and hanging baskets. Grows vigorous and carefree, requiring minimal maintenance for maximum flower set.

Ivy League Light Lavender

Traditional European ivy features a gorgeous waterfall of bright red color when used in window boxes and hanging baskets. Grows vigorous and carefree, requiring minimal maintenance for maximum flower set.

Ivy League Red

Traditional European ivy features a gorgeous waterfall of bright red color when used in window boxes and hanging baskets. Grows vigorous and carefree, requiring minimal maintenance for maximum flower set.

Sofie Cascade

One of our most popular ivy geraniums. Sofie Cascade is covered with pink blooms all summer long. The leaves also show a bit of variegation to add to the visual appeal.

Tornado Duet Bicolor

a naturally trailing and free-flowering ivy geranium.

White Cascade

Compact cascade type geraniums - a.k.a. "Balcon" or "European" type geraniums with single flowers covering the plant.

Scented Geranium *Pelargonium crispum*

Chocolate Mint

Green leaves have maroon splotches along the center of the leaf. Pale lavender flowers that have darker reddish lavender markings appear in late spring. This vigorous plant has a dark chocolate-colored vein that runs down the rib of the leaf and fans out into fingers.

Citronella

Unique geranium with strong citrus scented, deeply divided foliage and the occasional colorful blooms. Believed to repel insects. Claims to keep mosquitoes, black flies, and other biting insects at bay. Leaves can be used to make potpourris and perfumes. This is a great plant for your patio and makes a great houseplant in the winter.

Lemon Rose

A variety with interestingly shaped leaves, dissimilar to other varieties we grow; deeply lobed but rounded. Pink blooms. The foliage gives off a citrusy, floral scent. Pinch for fullness. Scented leaves make this a great plant to use for potpourris, perfumes and oils. Makes a great addition to containers and can be brought inside for winter.

Nutmeg

Dwarf scented geranium with small scalloped leaves streaked with creamy white variegation. The leaves have a spicy, nutty fragrance that is reminiscent of actual nutmeg. Small, white flowers with a purple blotch bloom on long flower stems. Great for containers and can be brought inside in the winter!

Old Fashioned Rose

The attractive aromatic leaves are used in cosmetics, teas and jelly. Pink blooms. Scented geraniums are typically grown in containers in full sun. Bring inside for winter!

Peppermint

Mint scented Geranium. White blossoms when in bloom. The velvety leaves of this choice species are pale green and fuzzy. This plant is a favorite for cut flowers and containers. It can be brought inside in the winter and makes an interesting and fragrant houseplant.

Seed Geranium *Pelargonium x hortorum*

Maverick Appleblossom

Well branched, heat tolerant plants with bright green foliage and soft pink flowers.

Maverick Coral

Well branched, heat tolerant plants with bright green foliage and soft pink flowers.

Maverick Pink

Compact plants are very floriferous with single type flowers in mass on great garden-performing plants.

Maverick Quicksilver

Compact plants are very floriferous with single type flowers in mass on great garden-performing plants.

Maverick Red

Compact plants are very floriferous with single type flowers in mass on great garden-performing plants.

Maverick Violet

The Violet Maverick Geranium is a beautiful hybrid variety that produces wonderful, giant violet blooms that makes for the perfect addition to any garden!

Maverick White

New series of Seed Geranium - compact plants are very floriferous with single type flowers in mass on great garden-performing plants.

Zonal Geranium *Pelargonium x hortorum*

Americana Coral

The 'Americana Coral' Geranium Plant bears 4-5 inch, full flower heads atop typical geranium-type leaves that are a dark, olive-green. This well-branched geranium shows off one of the truest coral colors on the market.

Americana Orchid

Americana Orchid Pelargonium, one of the Americana Series, which is known for its clean and intense flower colors and for the large flower heads it displays. Americana's are also excellent landscape performers and have a well-branched plant structure. Americana Orchid has a lavender color with a white center, similar to the Rocky Mountain Lavender Pink yet a little less vigorous.

Americana Pink III

Americana Pink III has one of the best pink colors on the market. Like the other Americanas, this variety has excellent landscape performance and a well branched plant structure.

Americana Red

Clusters of semi-double scarlet red blooms extend above the beautiful foliage. Has a compact well-branched growth habit. Heat tolerant and excellent choice for containers and beds.

Americana Salmon

Americana Salmon Zonal Geranium has large, orangy-pink bloom clusters on dark green foliage. One of the most popular plants for containers, Geraniums are known for their large, vibrant, lollipop blooms. The bloom clusters of the Americana series can get up to 4 or 5 inches across.

Americana White

Americana White Pelargonium is a nice clean white. Like other American Series geraniums, Americana White is an excellent landscape performer and has a well branched plant structure.

Americana White Splash

Americana White Splash Pelargonium is an exceptional variety. Its good clean white flowers with a dark magenta eye, make it one of the best on the market. Americana White Splash is somewhat more compact than others of the Americana Series.

Amy

Soft, light pink blooms on a large, vigorous plant.

Anne

Lavender pink blooms on a medium plant.

Beth

Light pink blooms on a medium plant.

Caldera Lavender Glow

Caldera Geraniums are heat tolerant with striking flowers against dark foliage. Their spreading habit makes them an ideal choice for containers, landscape plantings, and hanging baskets.

Caliente Coral

The Calientes are an Ivy/Zonal cross. This series has excellent edema resistance and a mounding growth habit that makes them very easy to grow and ship. The Calientes are very versatile plants that can be used in baskets, upright containers and flower beds. This series also does very well in landscape performance. The CalienteT Coral offers a nice coral color over a nice green foliage and is a very prolific bloomer. Awards - Best Ivy, PSU 2005; Top Performer, University of Tennessee 2005; Highly Rated, CSU 2005; Superior Rating, University of Nebraska 2005.

Caliente Fire

Ivy-zonal (interspecific) cross that has a semi-trailing growth habit; great branching, dark-green foliage, and intense scarlet flowers.

Caliente Lavender

Ivy-zonal (interspecific) cross that has a semi-trailing growth habit; great branching, dark-green foliage

Caliente Pink

Ivy-zonal (interspecific) cross that has a semi-trailing growth habit; great branching, dark-green foliage

Calliope Large Burgundy

Large, interspecific Geranium works well in hangers or planters. Covered in deep burgundy blooms from spring to fall.

Calliope Large Salmon

Large, interspecific Geranium works well in hangers or planters. Covered in salmon blooms from spring to fall.

Calliope Large Scarlet Fire

Calliope geraniums takes color to a whole new level in geraniums with stunning, vibrant color all season long. They also have outstanding mounding habit. Calliope is a breakthrough interspecific cross that combines the best characteristics of ivy and zonal geraniums. Because of its excellent branching characteristics, heat tolerance and vigor, Calliope maintains a mounding habit and incredible flower power in the garden - even under extremely hot conditions. In addition, it does not become overgrown by other plants in mixed containers.

Calliope Medium Hot Pink

Calliope Hot Pink captivates with a regal display of deep pink blooms that raise above the green foliage. The Calliope Geranium produces a medium green foliage with a very faint zonal pattern. Calliope geraniums are desired most for their beautiful foliage, showy blooms extending above the foliage, tolerance for heat and its mounding habit. This is a great annual for Spring, Summer, and Fall. The mounding habit of the Calliope Geranium makes this is a perfect choice for mixed containers and baskets.

Calliope Medium Pink Flame

Calliope Medium Pink Flame is a mid-sized interspecific Geranium. This is a perfect plant for containers, garden beds, and even hanging baskets. Pink blossoms with a darker pink eye.

Calliope Medium White

Medium interspecific Geranium works well in hangers or planters. Covered in bright white blooms from spring to fall.

Crystal Palace Gem

Heirloom Geranium - unique foliage is greenish chartreuse with strong zonal qualities especially when grown in full sun. One of Greg's favorites here at Spring Ledge!

Emily

Vigorous grower. Deep rose pink on dark green foliage. Heat and drought tolerant. Some deadheading required.

Langguth

The Langguth has excellent vigor and great landscape performance. The soft green and white variegated foliage below attractive red flowers make Wilhelm Langguth a very popular old time favorite with consumers.

Mayday

Hot pink blooms against dark green foliage make this vigorous grower a great statement plant for bedding or containers.

Olivia

Light salmon blooms against medium green foliage.

Rocky Mountain Lavender

The Geranium Rocky Mountain Lavender makes an outstanding landscape plant. Large, full-sized plants and are very showy in ground beds and containers with their large, colorful pink blooms.

Rocky Mountain Red

Popular Rocky Mountain series are great for the landscape and large containers. Well branched and very bright colors.

Rocky Mountain Salmon

Popular Rocky Mountain series are great for the landscape and large containers. Well branched and very bright colors.

Rocky Mountain Violet

Vigorous zonal geranium great in the garden landscape and large containers.

Savannah Pink Sizzle

Savannah Pink Sizzle Geranium features bold balls of lightly-scented pink flowers with rose overtones and white eyes at the ends of the stems from late spring to early fall.

Savannah Really Red

Savannah Really Red Geranium is an herbaceous annual with an upright spreading habit of growth. Its medium texture blends into the garden, but can always be balanced by a couple of finer or coarser plants for an effective composition. This plant will require occasional maintenance and upkeep.

Tango Orange

New crisp orange color. Well branched with even, round habit. Dark green leaves.

Tango Velvet Red

Compact growth, deep red semi-double flower, dark green foliage. Makes an excellent container or landscape plant.

Velma Cox

Small tri-colored foliage with small salmon pink blossoms. Compact growth habit. Novelty or statement plant.
